Membership Benefits

Monthly Meetings: Mount Vernon Genealogical Society meets the third Tuesday of each month at 1:00 pm in Room 112 at Hollin Hall Senior Center, 1500 Shenandoah Road, Alexandria, Virginia. Visitors are always welcome to attend the monthly meetings.

Monthly programs are recorded and available for members' viewing at the "Members Only" Section of the Society's website. Handouts for programs are also on the website at www.mvgenealogy.org.

Closings or delays: Call the Senior Center at 703-765-4573 or check the MVGS website.

Training and Education Classes: Classes offered by the Society are based on members' needs. Classes cover a variety of topics and are taught by knowledgeable genealogists.

Newsletter: MVGS emails a newsletter to all members. The e-mail version has color photos, active links to websites mentioned in articles, and can be saved to a computer or printed. Also an E-Bulletin is emailed with information on upcoming programs and events occurring in the genealogy community.

Special Interest Groups: Members meet monthly to learn and share information on specific areas. Check the website for current SIGs.

Surname Project: Members, using their password to the website, have access to the Surname Project List, may add the names of ancestors, may enter information, and may search for other members working on the same family lines. A password is not needed to just search the project.

Research Library: The Research Library offers members the use of 6 computers to access a variety of databases. We have a large collection of genealogy related publications and over 2,600 books to use for research. We are also a FamilySearch Affiliate Library, giving us access to most digital records of the FamilySearch Library in Salt Lake City, Utah.

Volunteers from the Society are available in the Library to assist others in locating books, periodicals, and other materials, as well as demonstrating the use of the genealogy websites.

The Research Library is open on Tuesdays, Wednesdays, & Thursdays from 10 am until 2 pm; is closed at noon on the third Tuesday for the monthly membership meeting. Contact the Research Library at 703-768-4101 after 10 am to confirm its opening.
